Sustainable Travel

We believe that the pursuit of extraordinary holidays should not compromise the well-being of our planet. Our sustainable program is a testament to our dedication to creating unforgettable experiences while respecting and preserving the environment. We meticulously choose eco-friendly hotels and services that share the same goals, offer carbon offset options, and promote ethical tourism, ensuring every adventure leaves a positive impact.

KEY PILLARS OF FIRST CLASS HOLIDAYS' SUSTAINABLE PROGRAM

Our commitment to sustainability extends beyond a tangible and impactful program that transforms the way we travel. Experience the epitome of sustainable travel with First Class Holidays.

CARBON OFFSET OFFERING

Our clients can neutralise their carbon footprint by contributing to verified carbon reduction projects. We offer the chance to plant new trees across the globe through reforestation and to simultaneously invest into clean renewable energy projects. That means a traveller's climate contribution will remove CO2e emissions now and invest in the planet for the future. Trees are one of the most powerful absorbers of carbon emissions – by growing trees in developing countries as our clients travel, we can help to restore eco-systems, biodiversity, and support local communities.

PARTNERSHIPS WITH ECO-FRIENDLY SUPPLIERS

We are dedicated to forging relationships with hotels and services that share our unwavering commitment to sustainability. Our selection process involves stringent criteria, assessing factors such as energy efficiency, waste management practices, and sustainable sourcing. By aligning with like-minded partners, we ensure that every aspect of our travellers' experience reflects our shared ethos of environmental responsibility. Through these partnerships, we aim to create a network of destinations that serve as exemplars of eco-conscious hospitality.

ENVIRONMENTAL EDUCATION AND AWARENESS

Our commitment to sustainability extends beyond travel experiences—it encompasses a dedication to educating and empowering our staff and travellers. Through our Educational Initiatives, we aim to foster a deeper understanding of sustainable practices and the environmental impact of their choices; to inspire a sense of responsibility amongst them. These initiatives are seamlessly integrated into our travel packages, offering information on local ecosystems, wildlife conservation, and responsible behaviour while traveling.

SUPPORT LOCAL COMMUNITIES AND ECONOMIES

Our dedication to sustainability extends beyond environmental conservation to embrace a holistic approach that actively supports local communities and economies. Recognising that responsible travel involves more than minimising environmental impact, we place a strong emphasis on fostering positive social and economic contributions to Canada:

- We recognise the intrinsic value of preserving cultural heritage. We actively engage with communities to understand their traditions, ensuring that our activities are respectful and promote cultural exchange without compromising the integrity of local practices, allowing us to create authentic travel experiences.
- We prioritise collaborations with local businesses. By sourcing goods and services locally, we minimise transportation-related emissions and support regional economies. This approach not only strengthens community ties but also promotes the use of sustainable and locally produced materials.

YOUR HOLIDAY, YOUR WAY

It's your dream holiday so the arrangements should be exactly as you need them. This brochure features a wide range of holiday ideas and hopefully you will find your perfect tour from the many that we feature. You will find a wide selection of holiday ideas over the following pages and almost all of them can be tailored and changed to better suit you (escorted tours are the only exception). You can change hotels, add in extra sightseeing or maybe add in some extra nights.

Tailor-made just for you: Should you not see your perfect holiday with your exact wishes not quite met, then our tailor-made service is just for you. Simply tell us what you'd like to do and include and we'll take care of the rest. We'll work with you to select the right hotels and lodges, the sightseeing and transport, wildlife and adventure experiences and put them together to create the holiday you've been dreaming about.

Concierge & Private Touring: If you are looking for something really special, perhaps to celebrate a special occasion, our Concierge Team are here to help. They can arrange those extra special things that turn a great holiday into a fantastic one. Maybe you'd like a private jet or a helicopter transfer; vetted babysitters, specialist dining in hard to book restaurants or personalised sightseeing with the best guides; your own chauffeur and car or luxury lodge with butler service and personal chef. The team can arrange all this and much more.

Escorted Tours

These are ideal if you prefer to travel as part of a group and have the reassurance of a Tour Escort with you along the way, allowing you to sit back and relax. Travel by modern coach, sometimes by rail, and have the opportunity to make new friends with fellow travellers who may be from anywhere in the world as you enjoy the sights from your seat high above the hedgerows. Whether you want a deluxe tour with most meals and sightseeing included or a value tour offering more time to explore at your own pace, we have a selection in Western and Eastern Canada and Alaska.

Self Drive Tours

If you're happy to drive, but prefer a pre-planned route, our self drive tours are just for you. Including all hotels and a hire car, some tours may also include attraction admission tickets or sightseeing and adventure excursions. Each route has been planned to include all the main attractions of the area, distances have been well thought out so that the daily mileage is achievable without early starts and late finishes, and they all allow ample time for stopping and sightseeing en-route.

Motorhome Holidays

Nothing gives you more freedom to truly experience the sights and sounds of a country than by exploring in a motorhome. Take the comforts of your home with you as you discover the sights and sounds of Canada or Alaska. With an extensive network of campgrounds and RV parks offering full facilities through to more natural settings, in national and provincial parks and with the option to add on additional sightseeing along the way there is no better way to see a country.

Cruise Holidays

We offer a wide selection of cruises with some of the leading cruise lines of the world, cruising the Inside Passage to Alaska and the eastern seaboard from Québec to New England. From a small ship expedition style cruise to the large cruise ships, which are a floating city, the choice is endless. Why not combine your cruise with a tour of the Rockies or a trip on the Rocky Mountaineer. Alternatively, take one of our one way cruises from Vancouver north to Alaska; disembark in Alaska to explore the Great Land in more detail.

Rail & Coach Holidays

If you prefer a more independent holiday, but do not wish to drive, our rail and coach holidays are a great option. We offer completely planned itineraries to more flexible, self-guided journeys, all with the ability to personalise them to your requirements. The tours can include rail journeys, coach travel and accommodation, together with pre-booked sightseeing excursions. You can combine a number of these tours together or add on other arrangements to create the holiday of a lifetime.

Wilderness & Wildlife

Canada and Alaska can offer adventures and wildlife like nowhere else on earth, with such an amazing array of awe-inspiring bears (whether they are the black, brown, grizzly or polar variety), majestic whales, soaring birds or wandering elk and moose. You can view them on a sightseeing excursion or perhaps take a look at our range of resorts and lodges in outstandingly beautiful wilderness settings that offer a totally immersive experience.

Western Canada

It's easy to run out of superlatives when talking about Western Canada. This is where the dramatic Canadian Rockies carve through off-the-scale scenery, glaciers grind ever-so slowly seawards and the vividly coloured glacial lakes glisten in the summer sun. Intersperse this with the Rocky Mountaineer, one of the most spectacular rail journeys in the world, incredible land and marine wildlife, the vibrant cities of Vancouver, Calgary and Edmonton, temperate rainforest, pristine national parks, and a rich and colourful indigenous culture.

Discover remote, deserted beaches in the Pacific Rim National Park, spot grizzly bears in the Great Bear Rainforest or Knight Inlet and shake the dust off your boots at the Calgary Stampede. Marvel at the turquoise-hued waters of Lake Louise, taste wine in the Okanagan and tick off once-in-a-life-time experiences as you spy polar bears in Manitoba. Follow the gold rush trail in the Yukon, or watch in awe as the Northern Lights dance their way across the sky.

Our Favourites

Driving between Banff and Jasper, along the Icefields Parkway is just stunning, it is one of the most beautiful driving routes you will ever take.

Amazing wildlife, whether it's a sighting in a 'bear-jam' or at one of the amazing lodges, your first bear sighting will never be forgotten.

Vancouver – one of the favourite cities of many of our team, there's something special about a city with an ocean and mountain backdrop.

From gentle walks to amazing hikes, canoe trips to cruise ships, casual cuisine to fine dining, there really is something for everyone.

Wine Tasting

BC is home to the Okanagan Valley, a unique region of lakes, hills and vineyards. The perfect place to relax in a lakeside resort and visit of the many amazing wineries. Wine tours are available.

Flora & Fauna

Nature is abundant here. Our favourite place to visit is Butchart Gardens on Vancouver Island, a 119 year old 55 acre display and a designated National Historic Site.

Knight Inlet Lodge

This wild and remote inlet is located 80 km by air north of Campbell River. At 125 km in length, this inlet is one of the longest on the BC coast and features towering snow-capped granite cliffs, waterfalls and glaciers. Knight Inlet, the traditional territory of the Da' naxda' xw Awaetlala First Nation, is home to an abundance of grizzly bears as well as killer whales, humpback whales, porpoises, dolphins, salmon, seals and sea lions.

Glendale Cove

Glendale Cove is home to one of the largest concentrations of grizzly bears in British Columbia. Spring and summer grizzlies feed on the cove's abundance of sedge grasses, berries and shellfish in the inter-tidal zone. The returning salmon in the fall provide the high fat, high protein food source required for winter hibernation. This is a stunning setting in which to observe grizzly bears in their natural environment. The cove is also home to black bears, otters, deer, cougars, wolves and over a 100 species of birds, including bald eagles and other raptors.

Knight Inlet Lodge

Floating in Glendale Cove, Knight Inlet Lodge is home base for your wildlife adventures. Guests can walk the dock and enjoy the stunning scenery, meet visitors from around the world, hear bald eagles whistling in the forest and see inquisitive river otters on the dock. Amenities include accommodation, meals in the dining hall, lounge, dock patio and gift shop.

The lodge is an assortment of 5 modern floats containing 18 guest rooms, dining room, lounge, interpretive centre, and support buildings. All rooms have 2 queen beds with a private bathroom, except for family rooms which have one queen and two twin beds. There are also two oceanside cedar saunas and a dedicated cold plunge.

Bear Viewing Season

Starting in late April the bears return to the estuary from their winter dens and start the year feeding on the sedges, succulents, grasses, and all sorts of shore-based food sources that abound in the estuary. In the summer, the addition of berry crops keep the bears in the general area around Knight Inlet Lodge. Fall time is salmon season, this sees the bears gathering in the spawning channel waiting for the salmon run.

Throughout the season viewing by boat gives exceptional sighting opportunities within Glendale Cove and the estuary. Beginning in late August, in addition to boats viewing is from elevated viewing stands, located at the spawning channel which provide chances to view the grizzlies' fishing for salmon.

More than Bears

Marine wildlife tours are offered in all the seasons. Spring viewing is for seals, sea lions, porpoises, dolphins and occasionally humpback whales. July is Orca (killer) and humpback whale viewing. There are also inlet cruise tours, excursions to the upper reaches of Knight Inlet, and walking, guided kayaking tours in Glendale Cove.

Fitness Notes

All land-based tours do require, at a minimum, walking distances of approximately 200 metres on rocky and uneven shoreline that may be slippery. To take part in these tours you must be able to walk this section without the assistance of Knight Inlet Lodge Guide Staff.

Ontario

CITYSCAPES & THE FAMOUS FALLS

Ontario is one of the most diverse provinces in Canada, with a wealth of influences. From the colourful, bustling metropolis of Toronto, and its blend of vibrant neighbourhoods and districts on the shores of Lake Ontario, to the nation's capital city of Ottawa, a satisfying mix of old and new. Ontario is Canada at its most vibrant and brilliant and its real charm can be found in the spectacular wilderness regions. A landscape of thousands upon thousands of lakes, including the mighty Great Lakes which flow along the US border, abundant wildlife, and densely wooded forests. Discover the Algonquin Provincial Park, an easy drive from Toronto or explore the Bruce Peninsula and Lake Huron. No visit to Ontario can be complete without seeing Niagara Falls, the sight and sound of these thundering falls first hand is truly memorable. Just beyond Niagara Falls is the pretty town of Niagara-on-the-Lake, lying in the heart of wine country, this is a charming region to include on any visit to Ontario.

Our 5 Favourites in Ontario

The province has so much to offer, there really is something to suit everyone, all ages, all activity levels and interests. We asked our team to pick their favourite activities both from their own personal trips and also from past traveller recommendations.

Toronto

The city has so much to offer and too many to list but a lesser known favourite is Toronto Island. A 13 minute ferry takes you to the island, there are great views of the city skyline from here.

Niagara Falls

You'll have seen the photos, but until you've stepped up close it really is hard to understand the power of the falls. Our favourite view is from the boat, which takes you right to the foot of the falls.

Algonquin Park

Summer or winter there is something here for everyone. Summer favourites are hiking, boating, fishing and wildlife spotting, while winter brings cross country skiing, snowmobiles and dog sledding.

Great Lakes

Ontario is home to 5 of the Great Lakes, these bring endless shorelines, beaches and Islands, making this a great place to relax and enjoy the waterside accommodation and activities.

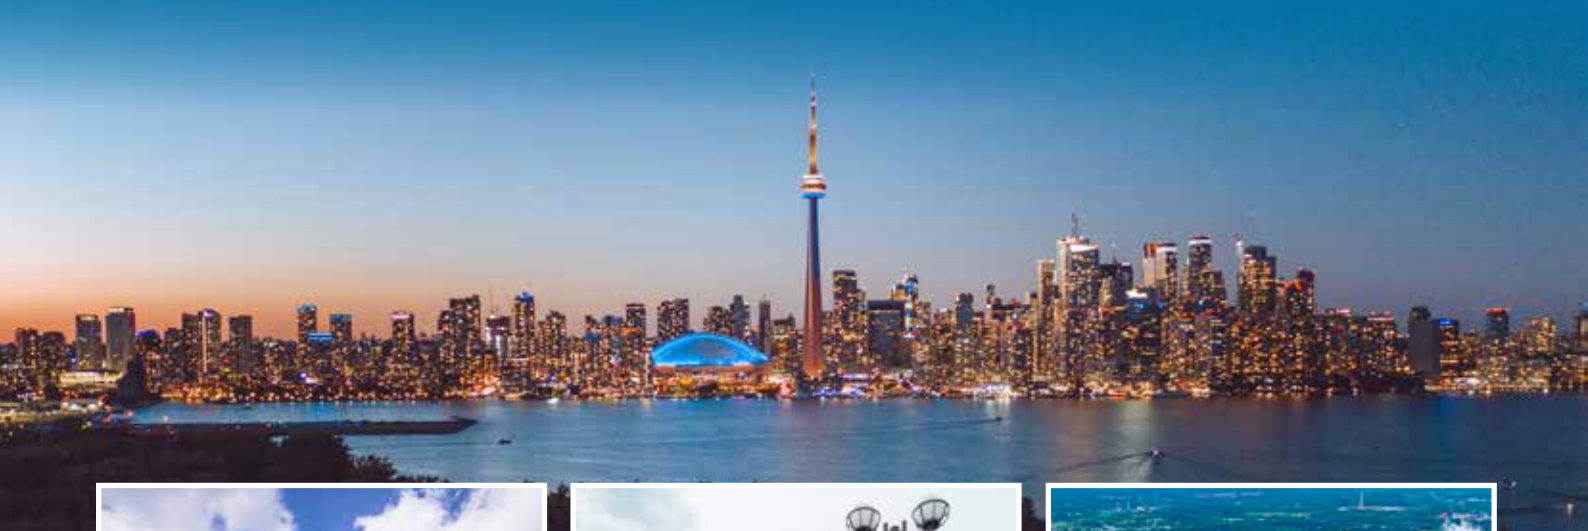

Wine Tasting

Ontario is home to 3 wine regions, Niagara Peninsula, the north shore of Lake Erie and Prince Edward County. The region is the world's largest producer of ice wine. Maybe try a tasting on one of the wine tours on offer.

Toronto & Niagara

Toronto - City Life

Canada's largest city and a firm favourite of ours, sights too many to mention, glorious culinary delights and amazing nightlife and entertainment.

Culinary Delights

Toronto is a culinary delight with so many great choices for all appetites – from fine dining, local markets, gastropubs, lake view brunches, rooftop bars, there really is something for everyone.

Festivals & Attractions

There are festivals aplenty – celebrate with the locals at one of their many music events, join something more cultural at the annual Indigenous Arts Festival, or perhaps spot your favourite actor at the annual Film festival.

Sports

Love Sports? Then you're in the right place – basketball, baseball, ice hockey, football are just some of the many sports played here right in the heart of the city.

Niagara Falls

They need little introduction, an amazing sight to see with so many viewpoints to see them from – above, behind, below – whichever way you choose, you will never forget your first glimpse.

Niagara-on-the-Lake

Québec

FRENCH CHARM & OUTDOOR ADVENTURES

Québec embraces its Gallic influences with great abandon. You'll find it in the gourmet cuisine, cultural traditions and the language, but don't be fooled, Québec is also most determinedly Canadian and is the largest of the provinces. Montréal tells a tale of two cities, in Old Montréal a tangle of old-world cobbled streets leads to the Basilica of Notre Dame and the Vieux Port, both steeped in history, whilst New Montréal is home to superb shopping, elegant dining and vibrant nightlife. By contrast Québec City dates back to the 17th century and is a UNESCO World Heritage Site. Sitting above the St Lawrence River, this is the only walled city in North America, and you'll discover picturesque cobblestone streets housing beautiful architecture, art galleries, cosy restaurants and living historic sites. Beyond the city boundaries Québec is filled with outstanding wildlife and an abundance of wilderness areas including the Mastigouche Wildlife Reserve, Saguenay Fjord, and the Gaspesie Peninsula.

Our 5 Favourites in Québec

The province has so much to offer, there really is something to suit everyone, all ages, all activity levels and interests. We asked our team to pick their favourite activities both from their own personal trips and also from past traveller recommendations.

Québec City

We love the architecture dating back centuries, including fortifications that form the biggest walled city north of Mexico and Old Québec, one of the quaintest and oldest neighbourhoods in North America.

Montréal

From Old Montréal, dating back to 1642 with its cobblestone streets and a great shopping to Old Port, the beautiful waterfront area, there is much to see in this fascinating city.

Whale Watching

Whales can be spotted from May to October when they are attracted to the St. Lawrence River's wealth of edibles and impressive depth. View from one of the many whale watch cruises or perhaps from the shore. The river is so deep that whales often come right up to the river bank.

Mont Tremblant

Located in the Laurentian Mountains, summer or winter there is something here for everyone. Winter brings skiers and snowboarders from all over the world, summer brings hikers, bikers and golfers.

Winter

Québec is a true paradise for winter activities. Its extensive snow coverage each winter is ideal for sliding sports, dogsledding, snowmobiling and ice fishing.

Montréal

Montréal

Montréal is an intriguing fusion of edgy and contemporary that meets old-world tradition and history. Sitting on an island in the Saint Lawrence River, the triple peak hill of Mt. Royal lies in the centre, keeping watch over the many neighbourhoods that were once independent cities. In old Montréal you'll find a tangle of charming, cobbled streets leading to the Basilica of Notre-Dame and the Vieux Port, whilst the new town is home to designer shopping, superb entertainment, and a vast underground city, packed with shops and restaurants. During the summer the city comes alive with festivals and the Bateaux Mouches cruises sail serenely along the river.

Montréal Guided Cruise

Departing from the Old Port of Montreal, you'll discover the metropolis from the river on this guided sightseeing cruise. There is a chance to relive history with a famous explorer, Paul Chomedey de Maisonneuve, sharing anecdotes and facts about the city as you sail from the Old Port to Boucherville Islands past the downtown area. Cruise Ports of Call

Ports of Call

Here we highlight the most popular ports of call. Your chosen cruise line may call at some, not all of these ports.

Inside Passage

This is the scenic waterway that reaches 1000 miles from beautiful British Columbia to historic Skagway, Alaska. Through a maze of bays, straits, arms and fjords you'll cruise past an ever-changing panorama of unspoiled beauty.

Glacier Bay, Alaska

It's not surprising that long, narrow Glacier Bay attracts such a variety of wildlife. Along one side runs the edge of Glacier National Park, home to wolves, moose, grizzly and brown bears, blacktail deer and lynx. Listen for the amazing sound of a glacier 'calving'. Once heard, never forgotten.

Haines Junction, Alaska

Tucked in the forests at the tip of the Inside Passage, Haines sits on the shores of America's longest fjord. Spectacular peaks, glaciers, rivers and lakes, abundant birds and wildlife surround this pristine spot.

Juneau, Alaska

Alaska's capital city was born in the gold rush of 1880. Today it is the scenery and fauna that is the town's fortune with wild mountains, fjords and glaciers dominating. Wildlife is abundant – you may spot humpback and killer whales, sea lions, porpoise, eagles and deer and the majestic Mendenhall Glacier is close by.

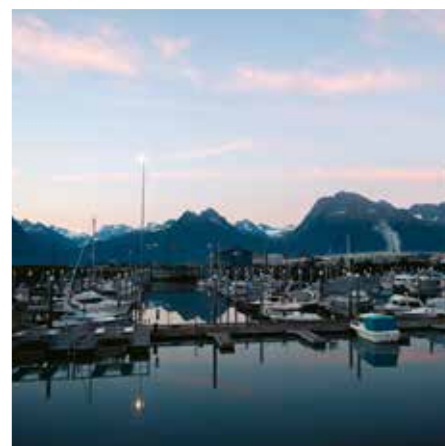

Ketchikan, Alaska

The name 'Ketchikan' comes from the native language word for "Where the eagles meet". Much of the town's colourful past is still in evidence, such as the world's largest collection of totem poles, staring out to sea.

Skagway, Alaska

A hundred years ago some 20,000 gold prospectors came stampeding through Skagway, a little town that still survives today with its false fronted buildings and wooden boardwalks lining the streets.

Valdez, Alaska

Located on beautiful Prince William Sound, Valdez is known as the Switzerland of Alaska, because of its magnificent scenery and snowy mountains.

Sawyer Glacier, Alaska

Though it's not as well-known as Glacier Bay, some naturalists claim Sawyer Glacier is even more spectacular. Located in the Tracy Arm Fjord framed by 7000-foot high snow-capped mountains, Sawyer Glacier is a stunning sight to see.

Sitka, Alaska

The historic community of Sitka sits on Baranof Island, on the edge of the Pacific Ocean. With a mixed heritage of part native Alaskan, part Russian, Sitka is a fascinating destination of unexpected cultural depth.

Misty Fjords, Alaska

A cruise through the breathtaking fjords, alpine lakes, cascading waterfalls and towering cliffs is a once-in-a-lifetime experience. A huge array of Alaskan wildlife can be found here including bald eagles, black and brown bears, wolves, whales and sea lions.

Shore Excursions

Your cruise company will offer a range of shore excursions and full details will be provided with your travel documents; some can be pre-booked directly with the cruise line, please ask us for details.

Head into the wilderness and explore the Denali National Park, home to Denali, the highest peak in North America and the Kenai Fjords National Park, where you can spot an impressive array of marine and land loving wildlife. Travelling Around Canada

However you prefer to travel around Canada we have the solution.

Planes... There is a good internal flight network with all the major airlines between cities and provinces, and for some shorter coastal journeys there is the thrill of a seaplane transfer.

Trains... VIA Rail is a great way to travel, there are good connections across most cities and regions, see pages 146 to 148 for an overview of services and their route network.

Automobiles... Car and motorhome rentals give the ultimate freedom of the road, but for those who prefer not to drive, or would like to drive some of the route but then take a break, there is a wide range of scheduled and private transfers options.

& Ferries ... More than just a ‘ferry’, some of the regions you sail through are just stunning and will surely be a highlight of your trip.

There are lots of ways you can travel around this wonderful country, motorhome, rental car and train. But for those shorter journeys transfers and ferries could be the answer, and we can offer a variety of cost effective options depending on your requirements and location.

Airport Transfers

After a long flight we think it’s best to make the last leg of your journey to your hotel the fastest way possible; that’s why we offer private transfers from all our gateway airports to downtown hotels. Booking in advance removes the line-up waiting for a cab or wondering what the price will be. So, whether you fly into Vancouver, Toronto, Calgary or a more remote location like Whitehorse, we can arrange a cost effective and speedy transfer. Prices depend on size of party and the airport; we’ll be delighted to offer the best rate possible at the time of booking.

Car Hire

There’s nothing better than the freedom of being able to explore at your own pace, in your own time. Canada is made for exploring by road – choose from one of our pre-planned self-drive itineraries or just hire the car, book some hotels and take off on your own – the choice is yours. Whether it is exploring the Canadian Rockies or meandering around the quaint coastal towns and villages of Atlantic Canada, we will provide you with comprehensive car hire cover from our trusted suppliers, with all the information you need for a worry-free car hire experience.

Coach Transfers

There’s a comprehensive network of coach transfer services in the main tourist areas of Canada, so whether you’re visiting the Rockies, Vancouver Island or Toronto and Niagara Falls, getting around on your own is relatively easy. To be sure of your travel arrangements we recommend that you pre-book your journeys before you go and don’t leave it until you arrive in Canada.

Here’s a sample of what’s available;

- * Vancouver to/from Victoria: a 3.5 hour coach and ferry service several times a day
- * Vancouver to/from Whistler: a 3 hour coach service several times a day
- * Vancouver to/from Seattle: a 4 to 4.5 hour coach service operates several times a day to both downtown Seattle and Seattle airport.
- * Vancouver / Victoria to/from Tofino/Ucluelet: there’s a daily service.

In the Rockies there’s a regular service between Calgary, Banff, and Lake Louise and a daily service that continues to Jasper.

In Ontario you can travel between Toronto airport, Toronto and Niagara Falls several times a day.

Private Transfers

Perhaps your flight times or holiday plans don’t fit with the fixed timetable of a coach transfer, or maybe you want the flexibility to travel at time that suits you. If that’s the case then our private transfers are perfect. Whether it’s between airport or downtown, city centre and cruise or rail terminal, or between towns and cites we have a transfer to suit, and you can be sure that you’ll travel in comfort with your own experienced driver.

Prices vary depending on locations and journey and our experienced consultants will be pleased to quote the best available price for your needs.

Transfers by Air

Sometimes it’s just not possible to make a journey by road and an air transfer is the only way. Sometimes it’s just the most scenic way to do the trip. Either way, we have a range of scheduled flights between the key locations in Western Canada. Some are on float planes, others on conventional aircraft, depending on the location. If you fly on a float plane there may be luggage restrictions, we’ll let you know what they are when you book. Here’s a few ideas.

- * Vancouver Coal Harbour Seaplane Terminal to Victoria Inner Harbour
- * Vancouver to Nanaimo
- * Vancouver to Whistler
- * Victoria to Whistler
- * Vancouver Airport to Campbell River
- * Vancouver to Port Hardy
- * Vancouver to Tofino

If there’s no scheduled service that suits your plan, we may be able to offer private air transfers, just give us a call.

Ferry Transfers

BC Ferries offer a comprehensive network connecting the mainland with Vancouver Island and the many communities along the BC coast. The most popular being from Vancouver (port of Tsawwassen) to Victoria (port of Swartz Bay) and from Vancouver (Horseshoe Bay) to Nanaimo. The journey time is 1 hour 35 minutes with up to 12 sailings per day during summer.

It’s advisable to pre-book your ferry time to avoid lengthy waits. We’ll happily make the arrangements for you.

Cruise the Inside Passage

Port Hardy to Prince Rupert Day Cruise

Between the ports of Prince Rupert on British Columbia’s west coast and Port Hardy on the northern tip of Vancouver Island lies some of the most spectacular scenery on the West Coast; the famous Inside Passage. During this 16 hour day cruise you will be treated to magnificent views; including snow-capped peaks and forested hillsides, bald eagles and killer whales, storm swept islands, deep fjords and sheltered villages.

There are departures on alternate days between June and September in each direction, leaving at 07.30 and arriving just before midnight. Day cabins are available and you can take your car.

Victoria - Seattle

The “Victoria Clipper” is a speedy and convenient passenger only service between downtown Victoria and downtown Seattle. The high speed catamaran allows you to experience the perfect mixture of excitement and relaxation. Journey time is approximately 3 hours. ””

The cost is CAD \$7 per person at time of printing. An eTA is electronically linked to a traveller's passport, which means travellers will need to travel with the same passport they used when they applied for and obtained their eTA. Any kind of criminal conviction can jeopardise an application - we recommend you apply before booking your holiday. You should apply online, further details can be found on www.cic.gc.ca

Restrictions apply on eligibility to those who can travel under the Visa Waiver Programme, please see www.usembassy.org.uk or www.fco.gov.uk/travel for more information. We strongly advise making your ESTA or visa application at the time you make your holiday booking. At the time of printing, the fee for completion of an ESTA application is US\$21. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises.

All our customers are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of others. If in our reasonable opinion or in the reasonable opinion of some other person in authority, you or any member of your party behaves in such a way as to cause or be likely to cause damage, distress, danger or annoyance to other clients, employees, property or to any third party, or damage to property, we reserve the right to terminate the holiday of the person(s) concerned immediately. The termination of such termination our liability to you and/or your party will cease and you and/or your party will be required to leave the accommodation or other service immediately. We will have no further obligations toward such person(s) including any return travel arrangements. No refunds will be made, and we will not pay any expenses or costs incurred as a result of the termination.

9. Entry Passports, Visa and Immigration Requirements, Safety & Health Formalities

It is your responsibility to check and fulfil the entry, passport, visa, immigration requirements, safety and health formalities applicable to your itinerary. We can only provide general information about this. You must check requirements for your own specific circumstances with the relevant Embassies and/ or Consulates, the Foreign, Commonwealth and Development Office (FCDO) and your own doctor as applicable. Requirements and the safety of the countries and areas in which you will be travelling to, do change and you must check the up to date position in good time before departure in order to make your decisions accordingly.

Most countries now require passports to be valid for at least 6 months after your return date. If your passport is in its final year, you should check with the Embassy of the country you are visiting. For further information contact the Passport Office on 0870 5210410 or visit <https://www.gov.uk/browse/citizenship/passports>. Special conditions apply for travel to the USA, and all passengers must have individual machine readable passports. Please check <https://uk.usembassy.gov>.

For European travel you should obtain a UK Global Health Insurance Card (UK GHIC) prior to departure unless you are able to rely upon an existing European Health Insurance Card (EHIC). For travel to Norway, Iceland, Liechtenstein and Switzerland, UK GHIC and EHIC can not be used for medical treatment. Passengers to these destinations should obtain comprehensive medical insurance prior to departure, including cover for emergency medical treatment and associated costs. Up to date travel advice can be obtained from the Foreign, Commonwealth and Development Office, visit <https://www.gov.uk/travelaware>.

Non British passport holders, including other EU nationals, should obtain up to date advice on entry, passport, visa, health and immigration requirements from the Embassy, High Commission or Consulate of your destination or country(ies) through which you are travelling.

We do not accept any responsibility if you cannot travel, or incur any other loss because you have not complied with any entry, passport, visa, immigration requirements or health formalities. You agree to reimburse us in relation to any fines or other losses which we incur as a result of your failure to comply with any entry passport, visa, immigration requirements or health formalities.

Please note: The impacts of Brexit may change your visa, ticket and health requirements. Third country citizens may be required to obtain a visa when passing through EU Member States. There is the potential for disruption at borders when travelling between the UK and EU Member States and you should allow sufficient time for this when planning any onward travel. You should check any impacts of Brexit on your travel, in advance of your departure, to ensure that you fulfil the requirements post-Brexit, including any passport validity requirements.

10. The price of your holiday

Please note, any prices shown are a guide only and subject to change at time of booking.

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. We also reserve the right to increase the price of confirmed holidays solely to allow for increase which are a direct consequence of changes in:

(i) the price of the carriage of passengers resulting from the cost of fuel or other power sources;
(ii) the level of taxes or fees applicable to the holiday or the cost of third party services not directly involved in the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; and
(iii) the exchange rates relevant to the package

Such variations could include but are not limited to airline cost changes which are part of our contracts with airlines (and their agents), cruise ship operators and any other service providers.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that. However, if this means that you have to pay an increase of more than 8% of the price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the issue date printed on the confirmation invoice. We will consider an appropriate refund of your insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above then any refund due will be paid to you less an administrative fee of £10. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

Please also note that our holiday prices include all coach travel, accommodation and meals as specified in the holiday description and VAT and a Goods and Service Tax (GST), where applicable. A GST is levied on hotel and other elements of your holiday packages similar to British VAT. A proportion of this tax is refundable to overseas visitors. Rather than impose on you the responsibility for reclaiming any rebate due we have already deducted this amount in calculating the holiday prices shown in this brochure.

When making your booking, you waive your personal right to claim a GST rebate applicable to your holiday package and assign such entitlement to us as the tour operator. This will then enable us to reclaim the tax paid by us on your behalf and no further refunds will be due to you. Reservations can only be accepted on this express understanding. Unless specifically indicated in holiday (itinerary or description contained in this brochure, entrance fees, guide fees, city sightseeing tours and optional excursions are not included in the holiday cost.

The arrangements for holidays are made many months in advance. Accordingly, we must reserve the right to make changes to brochure and holiday details both before and after your booking has been confirmed. Most of these changes will, however, be insignificant.

Changes: If we make an insignificant change to your holiday, we will make reasonable efforts to notify you or your travel agent as soon as is reasonably possible before your departure, but we will have no liability to you. Examples of insignificant changes include alteration to your outward/return flights by less than 12 hours, change to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. (e) A Significant change to your itinerary, missing out one or more destination entirely

Cancellation: We will not cancel your travel arrangements less than 89 days before your departure date, except for reasons of force majeure or failure by you to pay the final balance. We may cancel your holiday before this date if e.g. the minimum number of clients required for a particular travel arrangement is not reached.

If we have to make a significant change or cancel, we will tell you as soon as possible and, if there is time to do so before departure, we will offer you the choice of;

i. (for significant changes) accepting the changed arrangements; or
ii. Having a refund of all monies paid; or
iii. Accepting an offer of alternative travel arrangements of a comparable or higher standard from us, if available (at no extra cost); or
iv. If available, accepting an offer of alternative arrangements of a lower standard, with a refund of the price difference between the original arrangements and the alternative arrangements.

We must notify us of your choice within 7 days of our offer. If we do not hear from you within 7 days, we will contact you again to request notification of your choice. If you fail to respond again, we will

assume that you have chosen to accept the change or alternative booking arrangements.

Compensation

In addition to a full refund of all monies paid by you, we will pay you compensation as detailed below, in the following circumstances;

a) If, where we make a significant change, you do not accept the changed arrangements and cancel your booking;
b) If we cancel your booking and no alternative arrangements are available

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

***IMPORTANT NOTE:** We will not pay you compensation in the following circumstances:

a) where we make an insignificant change

c) where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
d) where we have to cancel your arrangements as a result of your failure to make full payment on time;
e) where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;

f) where we are forced to cancel or change your arrangements due to Force Majeure (see clause 12)

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will, if possible, make alternative arrangements for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

12. Force Majeure

Except where otherwise expressly stated in these Booking Conditions, we regret we cannot accept liability or pay any compensation if our contractual obligations to you are affected by "Force Majeure". In these booking conditions, "force majeure" means any event beyond our or our supplier's control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Such events may include actual or threatened war or terrorism, riot, civil strife, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or return at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, labour strikes, lock closure, natural or nuclear disaster, fire, chemical or biological disaster, unavoidable technical problems with transport and all similar events outside our or the supplier(s) concerned's control.

13. Our responsibility to you

(1)We will accept responsibility for the arrangements we agree to provide or arrange for you as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018, as set out below and as such, we are responsible for the proper provision of the travel services specifically included in your package, as set out in your confirmation invoice and the information we provided to you regarding the services prior to booking. Please note that we shall not be responsible for any additional services provided to you, whether provided by the travel service providers or otherwise, which are not set out in your confirmation invoice and the information we provided to you regarding the services prior to booking.

(2) We will not be responsible or pay you compensation for any personal injury or death unless you are able to prove that it was caused by our negligence or the negligence of our suppliers.

(3) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:

(a) the acts and/or omissions of the person affected; or
(b) the acts and/or omissions of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable; or
(c) Force Majeure (as defined in clause 12).

(4) We limit the amount of compensation we may have to pay you if we are found liable under this clause:

(a) loss of and/or damage to any luggage or personal possessions and money: the maximum amount we will have to pay you in respect of these claims is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

(b) Claims not falling under (a) above and which do not involve injury, illness or death: the maximum amount we will have to pay you in respect of these claims is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.

(c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel:
The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these conventions from our website.

In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging

transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of the terms and conditions contained in those 'Conditions of Carriage' form part of your contract with us, as well as with the transport company. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you.

ii) In any circumstances in which a carrier is liable to you by virtue of EC 261/2004 (denied boarding and flight disruption), any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.

iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(5) Subject to these Booking Conditions, if we or our suppliers negligently perform or arrange those services set out in the confirmation invoice and the information we provided to you regarding the services prior to booking and we don't remedy or resolve the complaint or claim within a reasonable period of time, and this has affected the enjoyment of your package holiday you may be entitled to an appropriate price reduction or compensation or both. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. The level of any such price reduction or compensation in respect of any claim for damages or compensation whatsoever will be calculated taking into consideration all relevant factors such as but not limited to: following the complaints procedure as described in these Booking Conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us

(6) It is a condition of our acceptance of liability under this clause that you notify any claim to us and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.
(7) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to us or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.

(8) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description:
(a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you;
(b) relate to any business;
(c) indirect or consequential loss of any kind.

(9) We will not accept responsibility for services or facilities which do not form part of our agreement or where they are not advertised in our brochure. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

(10) Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to "unavoidable and extraordinary circumstances", we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights. Please note that a 5 night cap does not apply to persons with reduced mobility, pregnant women or accompanied minors, nor to persons needing specific medical assistance, provided we have been notified of these particular needs at least 48 hours before the start of your holiday. For the purposes of this clause, "unavoidable and extraordinary circumstances" mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

14. Arbitration

Disputes arising out of, or in connection with, your booking which cannot be amicably settled may be referred to ABTA's approved Alternative Dispute Resolution process if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims, which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims, which include an element of minor injury, or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element.

Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes referred to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts / omissions of the supplier.

15. Conditions of suppliers

Many of the services, which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may apply to you. Please agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. We provide full financial protection for our package holidays which don't include flights by way of a bond held by ABTA Ltd. We are a member of ABTA (ABTA

16. Special requests and medical conditions / disabilities

If you have any special request, you must advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you.

We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of an injury or medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability develops after booking, you must promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. If we reasonably feel unable to properly accommodate the particular needs of the person concerned, we must reserve the right to decline their reservation or, if full details are not given at the time of booking or the condition / disability develops after booking, cancel when we become aware of these details and cancellation charges as set out in clause 6 may apply.

17. Excursions

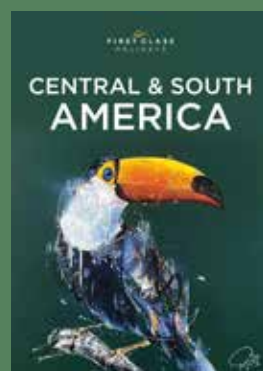

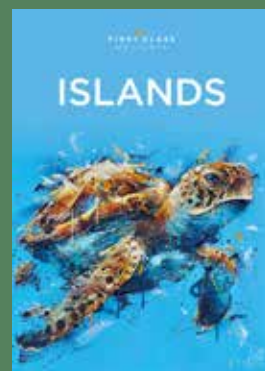

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor organised in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 12(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/ or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

18. Insolvency Protection and ABTA membership

We provide financial security for flight-inclusive packages by way of an Air Travel Organiser's Licence issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 1036350 email: claims@caa.co.uk (ATOL number 5421) When you buy an ATOL protected flight or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get more information or make a complaint and how to contact if things go wrong. For further information visit the ATOL website at www.atol.org.uk. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Nevertheless, if you are not satisfied with the right by us will be protected by the ATOL scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have sought or a suitable alternative (e.g. a hotel or travel agency). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer or any other body. You also agree that any such
