Guide Price £145 per person (Private tour - min 2 pax)

Explore the lush inland of Mauritius and its spectacular scenery. Commencing in the upper lands of Floreal and Curepipe, drive towards the largest natural reserve of the island, Black River Gorge National Park. The reserve is home to majestic ebony trees with paradise flycatchers and the Mauritius Black Bulbul flying in their canopy. The highlight of the trip is the unique seven coloured earths of Chamarel. The "Seven-Coloured Earth" of Chamarel is a geological curiosity of Mauritius. It is a small (7500 m²) area of strikingly bare landscape located within a large, dense forest. The earth is particularly unusual as it was created by volcanic rocks that cooled at different temperatures, allowing the earth to form beautiful patterns of colour on the exposed hillsides. When visiting the park, you will be able to walk between the many sand dunes and contemplate this unique sight. You will have the chance to view the gorgeous Chamarel waterfall, considered the most beautiful waterfall of Mauritius. Three distinct streams plunge down almost 100 metres from the St. Denis River, down into the gorge. The sight of this impressive waterfall against the scenic forests and mountains is truly breath taking.

Situated in the South West part of Mauritius, in the heart of a fertile valley, lies the Rhumerie de Chamarel surrounded by vast sugarcane plantations growing in harmony with pineapples and other tropical fruits. With a Mauritian warmth and authenticity, the Rhumerie de Chamarel Distillery welcomes visitors for an all-encompassing tourism experience including a guided visit of the distillery and rum tasting. The unique design of the distillery blends harmoniously with the spectacular surroundings where wood, natural stone and water provide a sense of communion with nature.

PRASLIN & LA DIGUE

Guide Price £275 per person

Experience the unique character of Praslin and la Digue and their breath-taking natural beauty. Praslin, the second largest island in Seychelles, lies approximately 1 hour by boat from Mahé. You visit the Vallee de Mai, a UNESCO World Heritage Site, the endemic home of the Coco de Mer palm and its famous Coco der Mer nut. Walk along the tended paths of this primeval forest, listening to the trill of the rare Black Parrot. This natural prehistoric forest frozen in time is filled with natural wonders. Legends holds this World Heritage Site is the original Garden of Eden. Visit the famous Anse Lazio beach for an opportunity to swim at this picturesque beach before the 30-minute crossing to La Digue.

La Digue island is historically and culturally rich with a timeless atmosphere. Life is lived mainly at the pace of the giant tortoise that Seychelles is famous for. Transfer from the jetty in the quaint and picturesque harbour to La Passe village. Here you discover fine examples of Creole architecture. Visit L'Union Estate, a former coconut and vanilla plantation, for an insight into the history of the island. The traditional oxen operated Copra Mill offers an opportunity to see copra (coconut oil) being made. The tour of La Digue resumes by 'camion', an open-sided truck with canopy, the Giant Union Rock soon comes into view. This 40-metre monolith in the sky is estimated to be 700 million years old. Stop at Anse Source d'Argent, one of the most spectacular beaches in the world. A 1 kilometre long beach with green palms, white beach and turquoise ocean is flanked by the imposing granite rock formations. Perfect for recording a memorable day in photographs.

BICYCLE TOUR OF LA DIGUE

Guide Price £87 per person

This tour is ideal for the adventurous at heart seeking to explore independently by bicycle (this is a self guided tour, cycle at your own pace).

The laidback atmosphere of la Digue makes the bicycle a favoured mode of transport. Enjoy the delights of this sunny island as a local. A briefing of the popular attractions and a map will aid your day of discovery, collect your bicycle and head out. La Digue is home to the Paradise Flycatcher, one of the worlds rarest birds and you may be lucky enough to spot one on your travels today.

Set off from the quaint and picturesque harbour for La Passe village. The narrow island streets and pathways are home to traditional Creole architecture and a wealth of island history. Legend dictates the land for the village was traded for a violin by the founding Dauban family in the early half of the 19th century. The original Dauban plantation building has been restored and now houses a museum. Handmade goods and souvenirs can be purchased in local stores.

At the end of the coastal road is the historic L'Union Estate. A traditional Creole estate house nestles among towering coconut palms that provided the famous coconut oil from its mill. Visit the restored copra mill, powered by oxen and watch how the dried coconut flesh is worked to provide coconut oil. The historical cemetery on the estate, the resting places of the first settlers of La Digue, can be visited for historical insight into the early settlement.

La Digue is home to the Aldabra Giant Tortoise enclosure where these world-famous creatures can be viewed at close quarters. Visit the Plantation House Museum, one of the oldest examples of French colonial architecture, created using precious wood and covered with palm leaves. Leaving the neighbouring vanilla plantation, you will see the Giant Union Rock, estimated to be 700 million years old, before heading to the world famous Anse Source d'Argent beach.

Praslin - Valeé De Mai & Anse Lazio jungle

VALLEE DE MAI / ANSE LAZIO (PRASLIN)

Guide Price £65 per person

Explore the wonders of Seychelles' second largest island, Praslin. Life on Praslin is relaxed surrounded as it is by pristine and breath-taking scenery. Visit the renowned UNESCO World Heritage Site, the Vallee de Mai Nature Reserve. A unique biosphere home to forests of palms and rare and endemic species. It's understandable why locals believe Vallee de Mai is the original site of the Garden of Eden. Discover the Coco de Mer palm with its iconic seed, the largest seed on earth. The Coco de Mer nut has been treasured as a collectable and mystical aphrodisiac for centuries. Your guide will bring this magical forest and its secrets to life as you explore the reserve. The reserve is home to 200 Black Parrots. Considered to be the national bird of Seychelles, this rare bird can only be found in Vallee de Mai Nature Reserve, whilst you may not spot this rare bird you can hear its high-pitched whistle in the tree canopy above you. In addition to the rare flora the reserve is home to magnificent fauna, such as the tiger chameleon and the diminutive Seychelles tree frog.

Enjoy lunch at a local restaurant followed by a short walk for an afternoon on the beach. Located on the north-west coast of Praslin, Anse Lazio beach is the second largest beach on Praslin. Considered to be the most romantic setting in Seychelles with crystal clear water and white sand. Spend the afternoon relaxing in the sun or under the shade of the lush vegetation fringing the beach. Tidal pools and the warm ocean waters present an opportunity to cool down as you while away the afternoon. For the more active snorkelling in these crystal-clear waters present the opportunity to view sea turtles and a high density of colourful fishes.

REEF SAFARI (MAHÉ)

Guide Price £140 per person

Board the catamaran at Victoria's marina for an exciting full day of activities. Head for the inner islands of Mahé, five kilometres from Victoria lies the Sainte Anne Marine National Park, comprising eight small islands. Board a semi-submersible vessel to enjoy the marine life. Dip below the waters of the Sainte Anne Marine Park to observe the tropical fishes explore the reefs through the windows of a semi-submersible vessel. Snorkelling in these sparkling waters offers the opportunity to view over 150 types of marine life and an abundance of colourful coral. Feed the tropical fishes from the boat.

A Creole style lunch is served on board the catamaran with musical entertainment before an afternoon visit to the privately owned Moyenne Island. Purchased in 1962 for £8,000 by Brendon Grimshaw who lived on the island like a modern-day Robinson Crusoe until his death in 2012. Less than one square kilometre in size, his vision was to create a national park, creating 3 miles of nature paths on this small island which is home to two thirds of all endemic palms, trees and shrubs found in Seychelles. Once ashore take a nap on the beach followed by a swim to cool off. Over 120 Giant tortoises roam freely on the island. As you explore on foot you may meet them on your afternoon walk that will take you to old ruins and pirate graves. For the snorkelling lover fish, sharks and rays are found in abundance off the island's shores. For a perfect ending to the day, a "petit rum punch des Iles" is served on board during a leisurely cruise around the Marine park before returning to Mahé.

SHIRLEY HEIGHTS LOOKOUT

Guide Price £49 per person

Shirley Heights is a restored military lookout and gun battery. The Lookout point is about 490 feet high, and has an incredible panoramic view of English and Falmouth Harbours. A visit to Shirley Heights is considered one of the must do activities in Antigua. The view is spectacular, and considered one of the best in Antigua, especially at sunset and early evening when all of English Harbour is all lit up. If you watch closely for that split second as the sun sets behind the ocean, you may see that moment a green jet of light covers the horizon known as the Green Flash and is something that only the luckiest viewers and photographers have ever managed to capture on camera or in their memories.

This military complex, is named after Sir Thomas Shirley, Governor of the Leeward Islands, who strengthened Antigua's defences in 1781. Britain had lost all their West Indian colonies (including North America) at this time except Antigua and Barbados. Much effort, therefore, was put into Antigua's defences, mainly because of the island's great sugar producing value and the important Dockyard.

You can visit the look out area at any time. The buildings have been adapted to function as a small restaurant and bar, so you can enjoy a meal or a drink here.

The most popular time to visit is on a Sunday evening. From 4pm-10pm the area comes alive. You can party until the sun goes down, sipping on rum punch, with the sounds of a steel orchestra as your background. Once the sun has set, local bands will entertain you until home time. This will be a night you will never forget and is sure to be a highlight of your trip. Most hotels offer a shuttle service to take you to this event, or you can organise your own taxi to enable your evening to be a little more flexible.

On Friday night, the most popular event is the 'fish fry' at Oistins Bay Gardens. This is one of the must-do activities of any stay, an unforgettable evening of fun and food.

The food is the main draw here, incredible fish dishes (tuna, swordfish, marlin, mahi-mahi and flying fish), lobster, and chicken, all served in an extremely informal setting. Your next snorkelling stop will be at one of the many beautiful reefs or shipwrecks. You can once again enter the warm waters and experience some of the colourful marine life on offer.

Once you get back on board you will drop anchor just off the coast of a stunning beach where you can relax and enjoy a Bajan buffet lunch. All of your alcoholic and non-alcoholic drinks on the cruise are included so enjoy the day sipping on some famous rum punch while enjoying the typical Bajan hospitality by the crew on board.

Seven Sisters Waterfall

NATURE LOVERS DELIGHT TOUR

Guide Price £65 per person

Grenada is known as the land of glorious waterfalls. The drive to this trail is a great start to the day, even before you start hiking. The Grand Etang Road twists and winds past fascinating Grenadian villages. You steer past precipitous inclines with vast and stunning views of the country below. Finally you snake through the wonderful rainforest of the Grand Etang National Park and Forest Reserve.

Once you arrive into the national park, you will head to the information centre in order to familiarise yourself with some of the wildlife and plant life found in the rainforest. Then you will head to the Grand Etang Lake where you will get a chance to feed the fish. This is a highlight for some visitors, as lots of bright coloured fish come up to the surface to receive their food.

Afterwards your guide will take you on a short walk into warmth of the rainforest, on one of the rainforest trails. Hopefully you'll be fortunate enough to see the 'Mona Monkey' which is resident to these parts. Your guide will point out plants and animals using their many years of experience in the rainforest. End your experience in the rainforest with a refreshing drink at the restaurant on site and also use this opportunity to purchase souvenirs from the gift shop.

Head back towards St. George's with your last stop at The Annandale Waterfall, where you can either just walk around and enjoy the surroundings or have a swim in the perfect natural swimming pool at the base of the waterfall.

CLIMATE SUMMARY

The beautiful island of Fiji benefits from a warm, tropical climate year-round with temperatures rarely dropping below 20°C. Fiji has 2 distinct seasons; the wet season runs from November to April enduring hotter weather and brief heavy rainfall in the late afternoon. The smaller islands experience less rainfall than the main island of Viti Levu. The dry season runs from May to October; with slightly cooler temperatures and less rain, the weather makes perfect conditions for snorkelling and diving due to the increased visibility around the beautiful coral reefs.

HAWAII

The fabulous Hawaiian Islands offer sun kissed beaches lapped by crystal seas, friendly locals and incredible cuisine. There are six major islands to visit in Hawaii: Kauai, Oahu, Molokai, Lanai, Maui, and the island of Hawaii. Each has its own distinct personality, adventures, activities and sights. We bring you a selection of hotels on four of the most popular islands.

Oahu is home to Honolulu's Waikiki Beach with its golden sands backed by high rise hotels, restaurants and entertainment.

Hawaii is the youngest and largest island but is nearly twice as big as all of the other Hawaiian Islands combined (hence, its nickname, "Big Island"), its sheer size is awe-inspiring.

Maui, "The Valley Isle," is the second largest Hawaiian island. The island is beloved for its world-famous beaches, the sacred Iao Valley and the frequent views of migrating humpback whales (during winter months),

Kauai is Hawaii's fourth largest island and is the "Garden Island," The oldest and northernmost island in the Hawaiian chain is draped in emerald valleys, sharp mountain spires and jagged cliffs aged by time and the elements.

Some services require additional deposits (e.g. cruises, rail journeys, airfares) and earlier balance payment dates, if these apply you will be notified at the time of booking.

The balance of the holiday cost must be received by us not less than 89 days prior to departure. This date will be shown on the confirmation invoice. Reminders will be sent if you do not receive all payments due (including any surcharge where applicable) in full and on time, we reserve the right to treat your booking as cancelled by you, in which case the cancellation charges set out in clause 5 below, will become payable.

Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of a financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

3. Contract

A binding contract between us comes into existence when we issue our confirmation invoice to the party leader or your travel agent. We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree (and whether or not involving any personal injury) must be dealt with under the ABTA Alternative Dispute Resolution Process (if the process is available for the claim in question and you wish to use it - see clause 13) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not do so choose, English law will apply).

4. Holiday Insurance

We consider adequate travel insurance to be essential. It is a condition of your contract with us that you should take out insurance to cover you in the event of illness, personal injury or death during the course of your holiday and for cancellation. Please read your policy details carefully and take them with you on holiday. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs. We do not check insurance policies.

5. If you change your booking & transfers of booking

If, after your confirmation has been issued you wish to make changes to your confirmed holiday, you must notify us in writing as soon as possible. This should be done by the first named person on the booking. Whilst we will endeavour to assist, we cannot guarantee we will be able to meet any such requests. Where we can, an amendment fee of £50.00 per person will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. You should be aware that these costs could increase the

cost of the departure date that changes are made and you should contact us as soon as possible. A change of holiday dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges in accordance with clause 6 of these Booking Conditions, will apply. Changes may result in the recalculation of the holiday price where, for example, the basis on which the price of the original holiday was calculated has changed.

Transfer of Booking: If you or any member of your party is prevented from travelling, that person(s) may transfer their place to someone else, subject to the following conditions:

a. that person is introduced by you and satisfies all the conditions applicable to the holiday;

b. we are notified not less than 7 days before departure;

c. you pay any outstanding balance payment, an amendment fee of £50 per person transferring, as well as any additional fees, charges or other costs arising from the transfer; and

d. the transferee agrees to these booking conditions and all other terms of the contract between us

You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out in clause 6 will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

Important Note: Certain arrangements may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements. Most airlines do not permit name changes and such changes are likely to be the full cost of the flight.

6. If you cancel your holiday before departure

You or any member of your party, may cancel your holiday at any time provided that the cancellation is made by the party leader and is received by us in writing. As we incur costs from the date we confirm your booking we will retain your deposit and in addition apply cancellation charges up to the maximum amount shown below.

The amount of cancellation charge shown is a percentage of the total holiday price excluding insurance premiums and amendment charges which are non refundable in any event. These charges are calculated from the date we receive your written notification at our offices.

Period before departure in which we receive your notification	Cancellation charge payable
---	-----------------------------

More than 89 days	Deposit Only
Between 88 and 31 days	50%
Between 30 and 15 days	75%
14 days or less	100%

Please Note: Certain arrangements on our website and in this brochure have different cancellation terms than those listed above. These are either noted on the website, the relevant brochure page or will be advised at the time of your booking or on your confirmation invoice.

NOTE: Depending on the reason for cancellation, you may be able to reclaim these charges if the reason for cancellation is covered under the terms of your holiday insurance policy.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

See clause 5 "If you change your booking & transfers of booking" if any member(s) of your party are prevented from travelling.

Cancellation by You due to Unavoidable & Extraordinary Circumstances:

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of "unavoidable and extraordinary circumstances" occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but we will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity.

For the purposes of this clause, "unavoidable and extraordinary circumstances" means wars, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

7. If you have a complaint

In the unlikely event that you have any reason to complain or experience any problems with your holiday whilst away, you must immediately inform our local representative or agent (if we have one) and the supplier of the service(s) in question. Any verbal notification must be put in writing and given to our representative / agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must notify us in writing within 28 days of the completion of your holiday and this must be to us at the address detailed in paragraph one of these Booking Conditions.

You must quote your booking reference number, holiday number and departure date. For all complaints and claims which do not involve death, personal injury or illness, we regret we cannot accept liability in respect of any complaint or claims which are not notified to us in accordance with this clause. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result. Please note that we offer an Alternative Dispute Resolution Service through our ABTA membership. Please see clause 18 for further details.

8. Behaviour and damage

When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner

or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's financial costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises. We expect all clients to have consideration for other people. If in our reasonable opinion or in the reasonable opinion of some other person in authority, you or any member of your party behaves in such a way as to cause or be likely to cause damage, distress, danger or annoyance to other clients, employees, property or to any third party, we are entitled, without prior notice, to terminate the holiday of the person(s) concerned. The event of such termination the person(s) concerned will be required to leave the accommodation or other service. We will have no further responsibilities toward such person(s) including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination.

9. Passports, Visas, health requirements & Foreign Office advice

The passport and visa requirements applicable at the time of printing to British citizens for the holidays we offer can be found at <http://www.gov.uk/foreign-travel-advice>. Requirements may change and you must check the up to date position in good time before departure. A full British passport presently takes approximately 2 to 6 weeks to obtain. If you or any member of your party haven't yet got a passport, our recommendation is that you should apply for one before the final balance payment of your holiday is due. The UK Passport Service has to confirm your identity before issuing your first passport online, please visit www.gov.uk/apply-renew-passport for more details.

Details of any compulsory health requirements applicable to British citizens for your holiday can be found at <http://www.gov.uk/foreign-travel-advice>. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre <http://travelhealthpro.org.uk/> or www.nhs.uk/Livewell/Travelhealth. For holidays in the EU / EEA you should obtain an EHIC (European Health Insurance Card) prior to departure from www.ehic.org.uk. An EHIC is not a substitute for travel insurance. Vaccination and other health requirements and recommendations may change and you must check the up to date position in good time before departure. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information.

It is the party leader's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents, including any necessary visas, before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you refuse to get onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice and www.gov.uk/news/foreign on which you are recommended to consult before booking and in good time before departure.

10. The price of your holiday

Please note, prices shown are a guide only and subject to change at time of booking.

The prices shown in this brochure have been calculated using the exchange rates of 01 July 2020 as shown in the Financial Times Guide to World Currencies.

We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. We also reserve the right to increase the price of confirmed holidays solely to allow for increase which are a direct consequence of changes in:

- (i) the price of the carriage of passengers resulting from the cost of fuel or other power sources;
- (ii) the level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of the holiday, including airport landing taxes or embarkation or disembarkation fees at ports and airports; and (iii) the exchange rates relevant to the package

Such variations could include but are not limited to airline cost changes which are part of our contracts with airlines (and their agents), cruise ship operators and any other service providers.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that. However, if this means that you have to pay an increase of more than 10% of the price of your confirmed holiday (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more, but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 7 days from the due date printed on your final invoice. We will provide an appropriate refund of your insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above then any refund due will be paid to you less an administrative fee of £10. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection

in place.

There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

Please also note that our holiday prices include all coach travel, accommodation and meals as specified in the holiday description and VAT and a Goods and Service Tax (GST), where applicable. A GST is levied on hotel and other elements of your holiday package. Similar to British VAT a proportion of this tax is refundable to overseas visitors. Rather than impose on you the responsibility for reclaiming any rebate due we have already deducted this amount in calculating the holiday prices shown in this brochure. When making your booking, you waive your personal right to claim a GST rebate applicable to your holiday package and assign such entitlement to us as the tour operator. This will then enable us to reclaim the tax paid by us on your behalf and no further refunds will be due to you. Reservations can only be accepted on this express understanding.

Unless specifically indicated in holiday itinerary or description contained in this brochure, entrance fees, guide fees, city sightseeing tours and optional excursions are not included in the holiday cost.

11. If we change or cancel your holiday

The arrangements for holidays are made many months in advance. Accordingly, we must reserve the right to make changes to brochure and holiday details both before and after your booking has been confirmed. Most of these changes will, however, be insignificant.

Changes: If we make an insignificant change to your holiday, we will make reasonable efforts to notify you or your travel agent as soon as is reasonably possible before your departure but we will have no liability to you. Examples of insignificant changes include alteration to your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change.

Occasionally we may have to make a significant change to your confirmed arrangements. Examples of significant changes include the following when made before departure:

- (a) a change of accommodation to that of a lower official classification or standard for the whole or a significant part of the time you are away;
- (b) a change of accommodation area for the whole or a significant part of the time you are away;
- (c) a change of outward departure time or overall length of your arrangements by more than 12 hours;
- (d) a change of UK departure airport except between

- The London airports: Gatwick, Heathrow, Luton, Stansted, London City and Southend
- The South Coast airports: Southampton, Bournemouth and Exeter
- The South Western airports: Cardiff and Bristol
- The Midland airports: Birmingham, East Midlands and Doncaster Sheffield
- The Northern airports: Liverpool, Manchester and Leeds Bradford
- The North eastern airports: Newcastle and Teesside
- The Scottish airports: Edinburgh, Glasgow, Prestwick and Aberdeen

(e) A significant change to your itinerary, missing out one or more destination entirely

Cancellation: We will not cancel your travel arrangements less than 89 days before your departure date, except for reasons of force majeure or failure by you to pay the final balance. We may cancel your holiday before this date if e.g. the minimum number of clients required for a particular travel arrangement is not reached.

If we have to make a significant change or cancel, we will tell you as soon as possible and, if there is time to do so before departure, we will offer you the choice of:

- i. (for significant changes) accepting the changed arrangements; or
- ii. Having a refund of all monies paid; or
- iii. Accepting an offer of alternative travel arrangements of a comparable or higher standard from us, if available (at no extra cost); or
- iv. If available, accepting an offer of alternative arrangements of a lower standard, with a refund of the price difference between the original arrangements and the alternative arrangements.

You must notify us of your choice within 7 days of our offer. If we do not hear from you within 7 days, we will contact you again to request notification of your choice. If you fail to respond again, we will assume that you have chosen to accept the change or alternative booking arrangements.

Compensation: In addition to a full refund of all monies paid by you, we will pay you compensation as detailed below, in the following circumstances;

- a) If, where we make a significant change, you do not accept the changed arrangements and cancel your booking;
- b) If we cancel your booking and no alternative arrangements are available

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you	Compensation per person
--	-------------------------

Over 89 days	NIL
Between 29 and 88 days	£10
Between 15 and 28 days	£15
Between 8 and 14 days	£20
7 days or less	£25

*IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

- a) where we make an insignificant change
- b) where we make a significant change or cancel your arrangements more than 89 days before departure
- c) where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
- d) where we have to cancel your arrangements as a result of your failure to make full payment on time;
- e) where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;
- f) where we are forced to cancel or change your arrangements due to Force Majeure (see clause 12)

If we become unable to provide a significant proportion of the arrangements that you have booked with us after you have departed, we will, if possible, make alternative arrangements for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

12. Force Majeure

Except where otherwise expressly stated in these Booking Conditions, we do not accept liability or pay any compensation if our contractual obligations to you are affected by "Force Majeure". In these booking conditions, "force majeure" means any event beyond our or our supplier's control, the consequences of which could not have been avoided even if all reasonable measures has been taken. Such events may include actual or threatened war or terrorism, riot, civil or political disturbances to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination or remain at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, labour strikes, lock down, natural or nuclear disaster, fire, chemical or biological disaster, unavoidable technical problems with transport and all similar events outside our or the supplier(s) concerned's control.

Brexit Implications: please note that certain travel arrangements may be affected as a result of the United Kingdom's decision to leave the European Union. This could include an unavailability of certain flight routes, access to certain ports and airports and changes to the visa requirements of British citizens travelling to, within or through the EU. Please rest assured that this is something we will continue to monitor and will advise our customers as soon as possible if we become aware of any confirmed bookings that will be affected. However, since this is something which is completely unprecedented and outside our control, we would treat any such changes as Force Majeure, and whilst we will endeavour to provide suitable alternative arrangements or refunds where possible, we will not be liable to pay you any compensation.

13. Our responsibility to you

(1) We will accept responsibility for the arrangements we make to provide or arrange for you as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018, as set out below and as such, we are responsible for the proper provision of all travel services included in your package, as set out in your confirmation invoice. Subject to these Booking Conditions, if we or our suppliers negligently perform or arrange those services and we do not remedy or resolve your complaint within a reasonable period of time, and this has affected the enjoyment of your package holiday you may be entitled to an appropriate price reduction or compensation or both. You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. The level of any such price reduction or compensation will be calculated taking into consideration the following factors, which are not limited to: following the complaints procedure as described in these Booking Conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, care or other loss of any description whatsoever which results from any of the following: -

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unavoidable and extraordinary; or
- 'force majeure' as defined in clause 12 above

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange for or contract for, or any excursion you purchase in resort. Please also see clause 17 "Excursions". In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This means that even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 13(1). We do not accept any liability, or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

(5) As set out in these booking conditions, we limit the amount of compensation we may have to pay you if we are found liable under this clause:

(a) loss of and/or damage to any luggage or personal possessions and money; the maximum amount we will have to pay you in respect of these claims is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

(b) For all other claims which do not fall under (a) above and which don't involve death, illness or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is up to 3 times the price (excluding insurance premiums and amendments) paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday.

(c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel:
(i) The extent of our liability will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention for international travel by air, the Athens Convention for travel by sea, The Berne/Coté Convention with respect to rail travel and the Paris Convention with respect to hotel arrangements. You can ask for copies of these Conventions from

our offices. Please contact us. In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage' You acknowledge that all of the terms and conditions contained in those 'Conditions of Carriage' form part of our contract with us, as well as with the transport company and those 'Conditions of Carriage' shall be deemed to be included by reference into this contract.

(ii) In any circumstances in which a carrier is liable to you by virtue of the Denied Boarding Regulation 2004, any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.

(iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

(7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self-employed loss of earnings.

(8) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to us or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.

(9) Where it is impossible for you to return to your departure point or to the agreed return date of your package, due to "unavoidable and extraordinary circumstances", we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights per person. Please note that the 3-night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors. Not to be confused with specialist medical assistance, provided we have been notified of these particular needs at least 48 hours before the start of your holiday. For the purposes of this clause, "unavoidable and extraordinary circumstances" mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

14. Arbitration

Disputes arising out of, or in connection with your booking which cannot be amicably settled through the referral to our specialist alternative Dispute Resolution process if you wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims, which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims, which include an element of minor injury, or illness subject to a limit of £1,500 which is the amount the arbitrator can award in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts / omissions of the supplier.

15. Conditions of suppliers

Many of the services, which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may be different to the supplier's liability to you, usually in accordance with applicable international conventions (see clause 13). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

16. Special requests and medical conditions / disabilities

If you have any special request, you must advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request has been complied (where it is possible to give this) where it is important to you.

We regret we cannot accept any conditional bookings, i.e. any bookings which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. If we reasonably feel unable to properly

accommodate the particular needs of the person concerned, we must reserve the right to decline their reservation or, if full details are not given at the time of booking or the condition / disability develops after booking, cancel when we become aware of these details and cancellation charges as set out in clause 6 may apply.

17. Excursions

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause 12(1) of our Booking Conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

18. Insolvency Protection and ABTA membership

We provide financial security for flight-inclusive packages by way of an Air Travel Organiser's Licence issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 1036350 email: claims@caa.co.uk (ATOL number 5421) When you buy an ATOL protected flight or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The cost of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services you have bought or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services you have bought or a suitable alternative, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We provide full financial protection for our package holidays which don't include flights by way of a bond held by ABTA Ltd. We are a member of ABTA (ABTA number W3550) and, ABTA will financially protect your holiday by ensuring you receive a refund or, if your arrangements include return travel to the UK (other than flights) you are returned to the UK in the event that your holiday cannot be provided as a result of our insolvency. Please go to <http://abta.com/go-travel> for a copy of the guide to ABTA's scheme of Financial Protection.

ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct.

19. Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.europa.eu/transport/modes/air/safety/air-ban_en.

In accordance with EU Regulations you are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible.

If the carrier with whom you have a confirmed booking becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 10 "If we change or cancel your holiday" will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and

confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times; it is possible that flight times may be changed even after tickets have been dispatched - we will contact you as soon as possible if this occurs.

Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

Electronic Devices - The carriage and use of electronic devices (mobile phones, tablets, iPads, laptops, music devices, games machines etc.) is disallowed by the airline and various civil aviation authorities around the world through whose airspace the flight operates. You should check with your airline before you go to the airport that any electronic device you are intending to take and use will be allowed onboard the aircraft. All electronic devices should always be in your carry-on luggage and never in your checked luggage. We accept no responsibility or liability in the event that you are refused permission to take any electronic device onboard the aircraft.

20. Prompt Assistance in Resort

If, whilst you are on holiday, you find yourself in difficulty for any reason you may request such prompt assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and assistance with distance communications and finding alternative travel arrangements. Where you require assistance, which is not owing to any failure by us, or our employees or sub-contractors, we will not be liable for any costs of any alternative travel arrangements or other assistance you require. Any supplier, airline or other transport supplier may however pay for or provide refreshments and/ or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these Booking Conditions, we will not be liable for any costs, fees or charges you incur in connection with any such assistance. You must obtain our prior authorisation before making your own travel arrangements. Furthermore, we reserve the right to charge you a fee for our assistance in the event that the difficulty is caused intentionally by you or a member of your party, or otherwise through your or your party's negligence.

21. Delay and denied boarding regulations

You are responsible for ensuring that you are at the correct departure point at the correct time and we cannot be liable for any loss or expense suffered if you are not. If you or any member of your party misses your flight or other transport arrangement, it is cancelled, or you are subject to a delay of over 3 hours for any reason, you must contact us and the airline or other transport supplier concerned immediately.

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international rail departure. Except where otherwise stated in our brochure or on our website, we regret we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc. We cannot accept liability for any flight which is due to any of the reasons set out in clause 12(2) of these Booking Conditions (which includes disruption to the airline's operations or the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay if your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disruption to your holiday, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us these rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 020 7435 6888 or by e-mail to passengercomplaints@caa.co.uk or see www.caa.co.uk - Referring Your Complaint to the CAA.

22. Brochure / website / advertising material accuracy

The information contained in our brochure, on our website and in our other advertising material is believed correct to the best of our knowledge at the time of printing or publication. However, errors may occasionally occur and information may subsequently change. You must therefore ensure you check all details of your chosen holiday (including the price) with us or your travel agent at the time of booking.

23. Safety Standards

Please note, it is the requirements and standards of the country in which any services, which make up your holiday are provided which apply to those services and not those of the UK. As a general rule, these requirements and standards will not be the same as the UK and may often be lower.

The following pages give information relevant to certain products and services in this brochure. Please read it carefully as it forms part of your contract with us.

GENERAL INFORMATION

Currency

If you plan to carry cash with you whilst on holiday, we recommend that you purchase a pre-paid currency card. All major credit cards are widely accepted, and we suggest that clients carry at least one card.

Data Protection Statement

Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.) Full details of our data protection policy are available upon request.

Excursions

Any excursions or tours that you book or pay for whilst on holiday are not part of your package holiday provided by us. For anything that you do book in this way, your contract will be with the operator of the tour or excursion and not with us. We are not responsible for the provision of these excursions or tours or anything that occurs during them.

Gratuities

Service charges are not usually included on bills in restaurants and bars. It is standard practise to tip service personnel 10 - 15% of the bill. Tips to tour drivers and escorts are not normally included in your tour cost and are at your own discretion.

Holiday Insurance

We consider adequate travel insurance to be essential. It is a condition of your contract with us that you should take out insurance to cover you in the event of illness, personal injury or death during your holiday and for cancellation. Please read your policy details carefully and take them with you on holiday. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your requirements.

Park fees

A park user fee is applicable at most National and private parks / game reserves and is included in cash upon arrival / entry.

Wildlife Tours

When booking a wildlife tour, it should be noted that as you are travelling to view the animals in their natural environments, sightings cannot be guaranteed. The guides will do their utmost to ensure that sightings are made, however, if this is not possible, refunds will not be made. For your own safety and that of fellow passengers, you are urged to heed all instructions provided by the guide during sightings.

Suitable clothing

During Spring and Summer months casual lightweight clothing is recommended with a light raincoat. Autumn and Winter months temperatures vary on location and we advise suitable layers and a warm jacket for colder evenings.

Travelling in Vehicles

When travelling in any motor vehicle seatbelts (if provided) must always be worn.

Unused services

No refunds are allowed for unused services provided in your package. Therefore, should you cancel, amend or miss any part of your tour / holiday, we will not be responsible for any refund.

FLIGHT INFORMATION

All flights are non-smoking.

Flight tickets

Where possible, we will issue e-tickets for your flights, which are electronic paperless tickets, meaning no worries about losing part of your travel documents. An itinerary will be issued with your documents showing all your flight arrangements that you can present at check in.

Checking in

You must check in for your international flights approximately 3 hours prior to departure time on your ticket or e-ticket. Please note that due to increased security measures, some airlines may request personal information on check in such as home address or address for your initial stay.

Special Requests

Unfortunately, we have no control over the allocation of seats on a flight and cannot guarantee that you will be sitting with your travelling companion. If you require special seating for medical reasons, please let us know. Some airlines allow you to pre-book your seats for a small charge, please call us for more information.

Airlines/Aircraft

Airlines reserve the right to substitute carriers, aircraft types, configuration and classes on their flights. A schedule change may range from five minutes to a day or more. If a schedule change does occur, and we are told about it before departure, we will offer a revised itinerary and holiday cost to reflect that change. Please note that the holiday price could be higher or lower, depending on the flight affected. Notwithstanding the above, the provisions of paragraph 10 of our Booking Terms & Conditions apply. Some airlines may still consider an intermediary touchdown on a flight as a 'direct' flight.

Alcohol Policy

All airlines operate a zero-tolerance policy for excess consumption of alcohol on board their flights. Some airlines may or may not serve alcohol on their flights, and some will charge for alcoholic and soft drinks.

Delays

Liability for flight delays are as per the airline's own conditions of carriage. Please see our terms and conditions or call for more information.

Seat reservations

Advance seat requests can be made, charges may apply.

Schedule Changes

Flight schedules are arranged many months in advance, and although rare, some flight rescheduling does occur. In most instances, the changes are kept to a minimum and we will do our best to inform you as soon as possible. Your return flight should be reconfirmed with your airline 72 hours before departure. Please note that schedule changes are made by the airline, not by First Class Holidays. We cannot accept liability for any extra charges incurred as a result of a rescheduled flight.

Taxes

Taxes and service charges including airport improvement fees in effect at the time of printing are included in our prices.

Baggage Allowance

Luggage allowances vary depending on your chosen airline and the fare purchased. Please ask for details. Please note that charter airlines and schedule airlines that operate into game reserves / national parks may have reduced baggage allowances of 15kg per person and may also require soft bags without wheels or stiffeners. Please check with us at time of reservation.

Meal Requests

All international flights include a meal service; however, connection and island flights may not include meals. Your Airline will provide any special meals that you may require (vegetarian, diabetic etc.). Please request your special meal with your reservation's consultant at the time of booking.

HOTELS

Hotel Rating

We have created our unique rating based on location, facilities and experience. In some smaller locations, options may be few and may be reflected in the rating, for example, a unique island hotel may be classified slightly higher due to the experience that it offers. Look out for our classification throughout our brochure.

Meals

Some of our hotels and resorts may include all meals as, quite simply, there is nowhere else to go. If you have any dietary requirements, please advise us at the time of enquiry so that we can check with the property that they can be accommodated. If you are taking a guided tour, self-drive or any other package that includes meals our descriptions show the meals included.

Checking In & Out Times

Check in time is normally after 2pm on the day of arrival, check out time between 11am and 12 noon. If you require a late check out, you should be able to arrange a day room for which you should pay the hotel directly (subject to availability).

Additional charges

Hotels may charge for items such as telephone, safe, parking, newspapers, movies, internet and other items. Please check with your hotel for a list of charges which are payable locally. Not all hotels offer tea/coffee-making facilities in your room.

Hotel Guests

First Class Holidays do not own the properties featured in our brochure, we have no control over other guests or individual hotel policies. We are unable to accept liability for conferences or conventions being held at your hotel, or for any facilities or amenities, which may be restricted as a result..

Room Types

It should be noted that a twin or double room is based on two people sharing either one or two beds (i.e. a double room may have one or two beds). Please note we cannot guarantee a double bed for honeymoon couples or twin beds for single sex occupants. When booking two or more rooms, we can request, but cannot guarantee, adjacent rooms. Please advise our staff at the time of booking if you would like to make this request.

Security deposits

A credit card imprint will be requested on checking in at your accommodation, as a security deposit.

PASSPORTS, VISAS & HEALTH

It is your responsibility to ensure that you're in possession of a full passport with the correct validity for your chosen destination. Most countries require a passport that is valid for at least six months following the date of departure from that country.

It's also your responsibility to ensure that you have the required visas to enter or pass through all the countries on your itinerary. Visa requirements will vary depending on the nationalities of those who are going to travel, please ensure you check the requirements for each traveller. Visa requirements are subject to change at any time, so we recommend obtaining up-to-date information from <https://www.gov.uk/foreign-travel-advice>. Please check this page at the time of booking and frequently before you travel as requirements do change without warning.

Some countries require visitors to complete an electronic travel authority. These can usually be applied for online and the authorisation is then electronically linked to your passport. You should be aware that an electronic travel authority may also be required for countries that you transit or connect through so it is important to check the requirements for each airport/country that you will arrive, depart, or connect through. You may be required to clear both customs and immigration at transit points as well as at your destination.

Details of any compulsory health and vaccination requirements can be found at <https://www.gov.uk/foreign-travel-advice> Vaccination certificates for some vaccines (such as yellow fever) may be required for some destinations, please check requirements for your destination and for any transit or stopover points carefully.

We recommend taking a photocopy of your passport and all important documents and keeping these separately from the originals.

Single parents or other adults going with children should be aware that they may have to provide documentary evidence of permission to take the children abroad. The country you're visiting may also have specific entry requirements in relation to children. See <https://www.gov.uk/foreign-travel-advice> for more details.

FOREIGN OFFICE ADVICE

The safety of our customers is our priority and as such we work in line with the advice provided by the Foreign & Commonwealth Office. We recommend that you keep up to date with this advice, which can be accessed via the Foreign & Commonwealth office website at www.fco.gov.uk. Alternatively, you can contact ABTA at ABTA.com or their consumer helpline on 0203 117 0599.

HEALTH REQUIREMENTS

Details of any compulsory health requirements applicable to British Citizens for your holiday can be found at <https://www.gov.uk/foreign-travel-advice>. Please check with your GP local travel clinic with regards to Malaria precautions and medications.
